25X1 11. [] Carl Duckett and John S. Warner met with Senators Howard H. Baker, Jr. and Peter H. Dominick for approximately an hour and a half. Mr. Duckett gave in considerable detail a briefing on the Soviet ABM system. Senator Baker again exhibited a wide scope of technical knowledge in the questions he asked. At the conclusion, he stated that this was one of the finest briefings he has received. He complained that he was disappointed quite frequently in seeking information from other agencies. Senator Dominick agreed with his views on the quality of the briefing.

25X1 12. [] Mrs. Gwen Lewis, in the office of Senator Len B. Jordan, called indicating that a Judge James T. Gossett had recently travelled in Indonesia and had some information which he wished to pass to the Agency. I will look at some material held in Senator Jordan's office by Mrs. Lewis tomorrow.
